Dear Delegates,

It gives us immense pleasure to invite you to a two day Ultrasound Guided Regional Anaesthesia Workshop on 21<sup>st</sup> and 22<sup>nd</sup> September 2018 at SGPGIMS, Lucknow.

The workshop will include **hands on training** of ultrasound scanning for regional nerve blocks on volunteers, on the first day. Second day will include **live transmission** of regional nerve blocks **by eminent national faculty** from the operation room.

Direct interaction between faculty and delegates will be facilitated. It will equip you with necessary knowledge, skills and confidence to perform safe regional anaesthesia in day to day practice. It will also apprise you of recent advances in this field.

Dr. Anil Agarwal  
Dr. Rajiv Lakhota  
Dr. Rajni Gupta  
Dr. S. S. Nath

Regional Nerve Blocks include

Upper Limb

Interscalene, Supraclavicular,  
Infraclavicular Musculocutaneous,  
Axillary
