National Conference on Artificial Intelligence in Health Care and Education

Theme:
"AI FOR VIKSIT BHARAT: Transforming Health Care and Learning"
Date: February, 14th- 16th 2026

Pre- Conference Workshop Schedule

REGISTRATION TIMIMNG: 9:30 AM to 10 AM at respective Venue

BLOCK-A	February, 14th 2026 Venue: Board Room-Telemedicine		
Time	**Topic**	**Speaker**	**Facilitator**
10:00 AM to 01:30 PM	Smart Research Paper Writing with Smart Tools in the World of AI	Dr. Harshit Garg	Dr. Sangeeta Rai Dr. Lalit Agrawal Dr. Sakshi Agrawal
01:30 PM to 02:30PM	LUNCH BREAK		
02:30 PM to 5 PM	AI and Tele ICU in Critical Care	Dr. Sandesh Kumar K J and Team	Dr. Shashi Prakash Mishra Dr. Bikram Kumar Gupta Dr. Deepak Kumar

BLOCK-B	February, 14th 2026 Venue: Seminar Hall, Dept. of General Medicine		
Time	**Topic**	**Speaker**	**Facilitator**
10 AM to 01 PM	Designing the AI-Ready Clinician: Practical Applications in Education, Clinical Practice and Diagnostics	Dr. Utso Guha Roy	Dr. Nilesh Kumar Dr. Munesh K. Gupta Dr. Umesh Pandey
01:30 PM to 02:30PM	LUNCH BREAK		
02:30 PM to 5 PM	How to use Artificial Intelligence (AI) in Health Research	Dr. S. N. Sarbadhikari	Dr. Naveen Kumar P.G Dr. Abhishek Pandey Dr. Abhishek Maurya

"The future of care is not imagined—it is engineered."

National Conference on Artificial Intelligence in Health Care and Education

Theme:

"AI FOR VIKSIT BHARAT: Transforming Health Care and Learning"

Date: February, 14th - 16th 2026

Venue- K N UDUPA AUDITORIUM, Institute of Medical Sciences, BHU

SCIENTIFIC PROGRAM

Day 1
February, 15th 2026

Time	Topic	Speaker
8 AM to 9 AM	**Registration & Breakfast**	
9 AM to 9:25 AM	Evolving role of Artificial Intelligence in Indian Healthcare.	Dr. Rajul Rastogi
9:25 AM to 9:50 AM	Explainable AI (XAI) for Predictive Modelling in Health care	Dr. S. N. Sarbadhikari
9:50 AM to 10:15 AM	How AI is Shaping the Future of Healthcare	Dr. Girish Raghavan
10:15 AM to 10:40 AM	AI in Hemato-Oncology: Risk stratification, prediction, and treatment response monitoring	Dr. Kishore Kumar
10:40 AM to 11:05 AM	Problem Beyond: Implementation and Validation of Models: Reality Bites.	Dr. Puneet Khanna
11:05 AM to 11:30 PM	Redefining Scientific Training in the Age of AI: Impacts on Research, Publishing and Learning	Dr. Himanshu Verma
11:30 AM to 11:45 AM	**Tea Break**	
11:45 PM to 01:45 PM	**Inauguration**	
01:45 PM to 02:45 PM	**Lunch**	
02:45 PM to 03:15PM	When AI Sees What Clinicians Miss: Breast Arterial Calcifications as a Window to Cardiovascular Risk	Dr. V. Satya Suresh Attili
03:15 PM to 03:45 PM	Roles of AI in Sepsis Management	Dr. Pradeep Rangappa
03:45 PM to 04:15 PM	AI enabled Telemedicine in India: From Pilot Project to national Scale	Dr. Amit Aggarwal
04:15 PM to 04:45 PM	Role of AI in critical Care	Dr. Sandesh Kumar K J
04:45 PM to 5:15 PM	SGPGI Tele ICU Experience	Dr. R K Singh
5:15 PM to 5:20PM	Closing Remarks of the Day	Dr. Bikram Kumar Gupta & Dr Shruti

"The future isn't coming—it's already thinking."

National Conference on Artificial Intelligence in Health Care and Education

Theme:

"AI FOR VIKSIT BHARAT: Transforming Health Care and Learning"

Date: February, 14ᵗʰ- 16ᵗʰ 2026

Venue- K N UDUPA AUDITORIUM, Institute of Medical Sciences, BHU

SCIENTIFIC PROGRAM

Day 2
February, 16ᵗʰ 2026

Time	Topic	Speaker
8 AM to 9 AM	**Breakfast**	
9 AM to 9:30 AM	Beyond Human diagnostics: Road to Medical Super Intelligence	Dr. Survankar Dutta
9:30 AM to 10 AM	From Microscope to algorithms: AI on call for Hematology	Dr. Prantar Chakrabarti
10 AM to 10:30 AM	Harnessing AI: Tool for a smarter future in Medical Education, Research and Healthcare.	Dr. Lalit Agrawal
10:30 AM to 11:00 AM	AI for Early Detection of Oral Potentially Malignant Disorders and Oral Cancer	Dr. Arpit Gupta
11:00 AM to 11:20 AM	**Tea Break**	
11:20 AM to 11:50 AM	Artificial Intelligence in Neuroradiology: Current Scope and Future Perspective	Dr. Chirag Ahuja
11:50 AM to 12:20 PM	From Concept to Clinic: Building AI Literacy for Doctors and Health Systems in India	Dr. Amit Kumar Dey
12:20 PM to 12:50 PM	Impact of AI on Modern Urological Practices	Dr. Sameer Trivedi
12:50 PM to 02:00PM	**Lunch Break**	
02:00PM to 02:30 PM	Reducing OPD overcrowding using AI	Dr. Ashish
02:30 PM to 03:00 PM	AI in Drug Discovery & Repurposing.	Dr. D. K. Nim
03:00 to 03:30 PM	Bio-Computational for Therapeutic enzymes and monoclonal antibodies production through novel platform technology	Dr. Pratyoosh Shukla
03:30 PM to 4 PM	Challenges While applying AI Health Care	Dr. Anshu Singla
4 PM to 4:30 PM	Legal Perspective of AI in HealthCare	Dr. Arpit Jain
04:30 PM to 5 PM	From Chairside to community: AI enabled Population screening for oral Diseases	Dr. Vikrant Mohanty
5 PM Onwards	**Valedictory Session**	

"Building a smarter nation through intelligent health and learning."
